## Exam Dates & Times

### Your E-ticket will be valid for the May Exam Schedule

- \* All registered students have been scheduled for these May dates, whether or not they were originally registered for regular or late-testing exams.

- \* Unless there's a significant conflict, students should test in May so they have the June dates as a backup if they have any disruptions.

- \* If you can't test on one of these dates, **don't use** your e-ticket for that exam – you'll automatically receive a different e-ticket for makeup testing in June.
